Titanium white, Prussian blue, Cadmium yellow, Raw sienna, Burnt umber. I will provide the violet and copper.

### *TIP*

*You get what you pay for in paint: if starting, mid range cheaper brands are fine IF in these colours. You'll need an art store. But A good start with better pigment is Hobbycraft's [Kingsteignton] own brand acrylics, or their Pebeo range £4[-£2 in their frequent sales avoid alizarin crimson in this brand] then daler rowney.*

*Trago & the Range have most stuff. Or Art discount and Jacksons on -line all good. Sets rarely have the right colours.*

>BRUSHES can be cheap long, bristle ones [packs of 5 flat or round head ones at bargain shops, around £1.50 .Flat are more versatile] we will also be painting with a kitchen sponge see above.

>We also need a small, soft, brush with a good point approx size 3-5 Dont buy these from bargain shops. The best deal is at the Works several sizes in pack. Look for the golden-haired synthetic ones.

**IF YOU ARE A TOTAL BEGINNER** WANTING TO TRY BEFORE YOU BUY, I CAN LEND PAINTS, PALETTE BRUSHES AND PROVIDE A CANVAS FOR A FEE OF £5 [cash to me on day] IF REQUESTED TO BOX OFFICE BY 10AM, MONDAY 8TH JAN. PLEASE STILL BRING ITEMS ON FROM HOME LIST ABOVE.
